

Day 2:

(30minutes) Game of Nim:

Hints: Work with less items

Extensions: move to 3 piles.

(35minutes) Content:

- On Board
 - o Difference between limits and function values.
 - $\lim_{x \rightarrow 2} f(x)$: What y-value does the “path of $f(x)$ ” lead you to?
 - $f(2)$: What y-value does $f(x)$ have at $x = 2$?

(10 minutes) Homework Expectations:

- Discuss 3 tiers (Fundamental, Deeper Understanding, Extra Credit)
- Discuss criteria for explaining your work.
- Discuss unlimited submissions to me and my willingness to help with HW. Syed can help too.
